

onCoach®

*...developed by serious coaches
for serious learning*

...to assist workshop attendees, coaches and session administrators in the post-session individualized coaching process.

for the Learner

- ❖ choose the time and pace for practice
- ❖ benefit from personal goal-based development
- ❖ achieve learning outcomes through guided reinforcement
- ❖ collaborate for success
- ❖ journal online, securely
- ❖ grow through both personal and peer-based feedback
- ❖ interact with your coach whenever you need support
- ❖ amplify your learning with onCoach library resources

eliminate the barriers between coach and learner

for the Coach

- ❖ keep the focus on coaching, not logistics
- ❖ “touch” your learners often between sessions
- ❖ track progress real-time
- ❖ facilitate one-to-one dialogues, at any time
- ❖ connect worldwide
- ❖ access coaching resources as you need them
- ❖ launch feedback surveys at your choosing
- ❖ expand learning with pre-defined goals & reading lists

onCoach: putting the **.net** into coaching – more at www.oncoach.net

“...training, when augmented with coaching, yielded productivity increases almost four times the level achieved by training alone...” Public Personnel Management, Winter, 1997
